Nice house between Lloret and Blanes

Corner house in La Soleia, one of the best urbanizations in Lloret de Mar, located just 5 minutes from both the beach and the center of Lloret de Mar and Blanes...It is distributed over three floors with unobstructed views and plenty of natural light...On the main floor we find a living-dining room with direct access to the terrace, an equipped kitchen, a courtesy bathroom and a single room...Going up the stairs we reach the night area, where we find the main room with an en-suite dressing room and access to the private terrace, two other exterior double rooms and a bathroom...The garage is divided into two separate areas: on the one hand there is a kitchen and a living room with a fireplace, on the other part of the garage there is room for 2-3 cars, an area for firewood, a pantry and a laundry room...Outside, the solarium with its saltwater pool and a small orchard with fruit trees complete this project ready to move into..Do not wait, contact us now!
